Introduction

Baramulla a picturesque district extending over an area of 4243 square kilometers comprises of 544 revenue villages. The North-western district of valley, Baramulla derives its name from two letters Varrah (Sanskrit: Boar) and Mul (Sanskrit: Molar). In Nilmathpurna, the earliest epic of Kashmir, it is mentioned that Kashmir was a lake and Vishnu became a Boar and drained it by making a breach with a molar. The town is located on the either banks of river Jehlum, about 55 Kms away from the capital city of Srinagar.

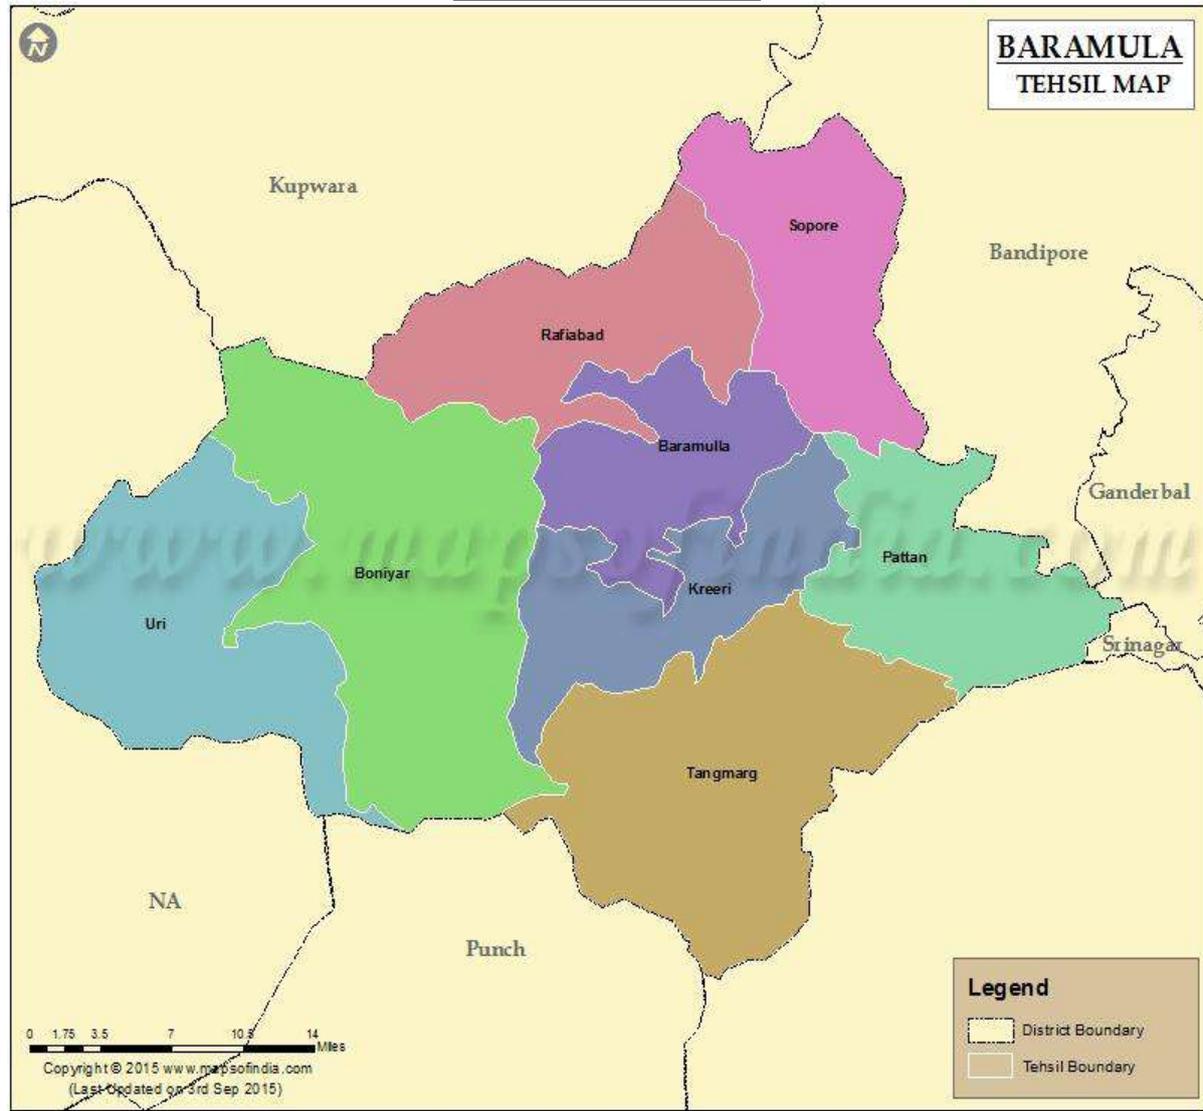

The city of Baramulla, founded by Raja Bhimsina, held the position of a gate-way to the valley as it was located on the route to the Valley from Muzaffarabad (*now in POK*), and Rawalpindi (*Now in Pakistan*). As such, a number of prominent visitors have been to Baramulla. These include the famous Chinese visitor Heiun T'Sang and Moorcraft, the British historian. Mughal Emperors had special fascination for Baramulla. Being the gate way of the valley, it was a halting station for them during their visits to the Valley.

In 1508 Emperor Akbar who entered the Valley via Pakhil spent a few days at Baramulla and according to "Tarikh-e-Hassan" the city during Akbar's stay, had been decorated like a bride. Jahangir also stayed at Baramulla during his visit to Kashmir in 1620. In the 15th century, Baramulla became important to Muslims, as the famous Muslim saint Syed Janbaz Wali, who visited the valley along with his companions in 1421, chose Baramulla as the centre of his mission, and after his death he was buried there. His shrine attracts pilgrims from all over the Valley.

Objectives of the Plan

1. To identify various hazards, assess vulnerability and analyze risks for disaster management.
2. To put in place a system to prevent disasters or reduce the impact of disasters on life and property.
3. To generate awareness among masses for taking preventive measures to reduce the loss due to disasters.
4. To mobilize resources for managing disasters and have periodic assessment of resources.
5. To ensure co-ordination between various agencies/ departments for managing Pre/ Post disaster scenario.
6. To minimize the potential risk by decreasing vulnerability and building capacity to respond.
7. To help in relief/ rehabilitation and reconstruction in Post Disaster scenario.
8. To conduct post disaster evaluation and initiate various mitigation measures.

(15)	Agriculture and Horticular Produce	= Agri.108662Mt. Hort.546089 Mt.
(16)	Density of population per sq.Km	= 238
(17)	Litercy Rate	= 66.93%

(18) Road Length (Surfaced & unsurfaced)	=	2415.56 Km. + 174.37 Km.
(19) Length of Canals/Khuls	=	159 Km.
(20) ST Population	=	41991
(21) Urban Population	=	182500
(22) Rural Population	=	825539
(23) Police Stations	=	11
(24) Police Posts	=	07
(25) No.of Educational Zones	=	18

4-Administration:

Baramulla district comprises of 04 Sub Divisions viz., Uri, Sopore, Gulmarg and Pattan; 18 Tehsils, viz., Uri, Boniyar, Rafiabab, Rohama, Dangiwachha, Watergam, Sopore, Dangerpora, Khoie, Wagoora, Kreeri, Baramulla, Tangmarg, Narwaw, Singpora, Kunzer , Zaingeer & Kawarhama.

The District has 26 Community Development Blocks, viz., Uri, Paranpillan, Bijhama, Boniyar, Noorkhah, Baramulla, Narwav, Nadihal, Rohama, Rafiabab, Kangroosa, Sopore, Sangrama, Zaingeer, Tujjar Sharief, Wagoora, Pattan, Sherabad Khore, Singhpora, Kunzer, Hardaboora, Lalpora, Wailoo, Tangmarg, Khaipora, Chandil Wanigam.

Baramulla District has 07 Assembly Constituencies, viz., Uri, Rafiabab, Sopore, Sangrama, Baramulla, Gulmarg and Pattan.

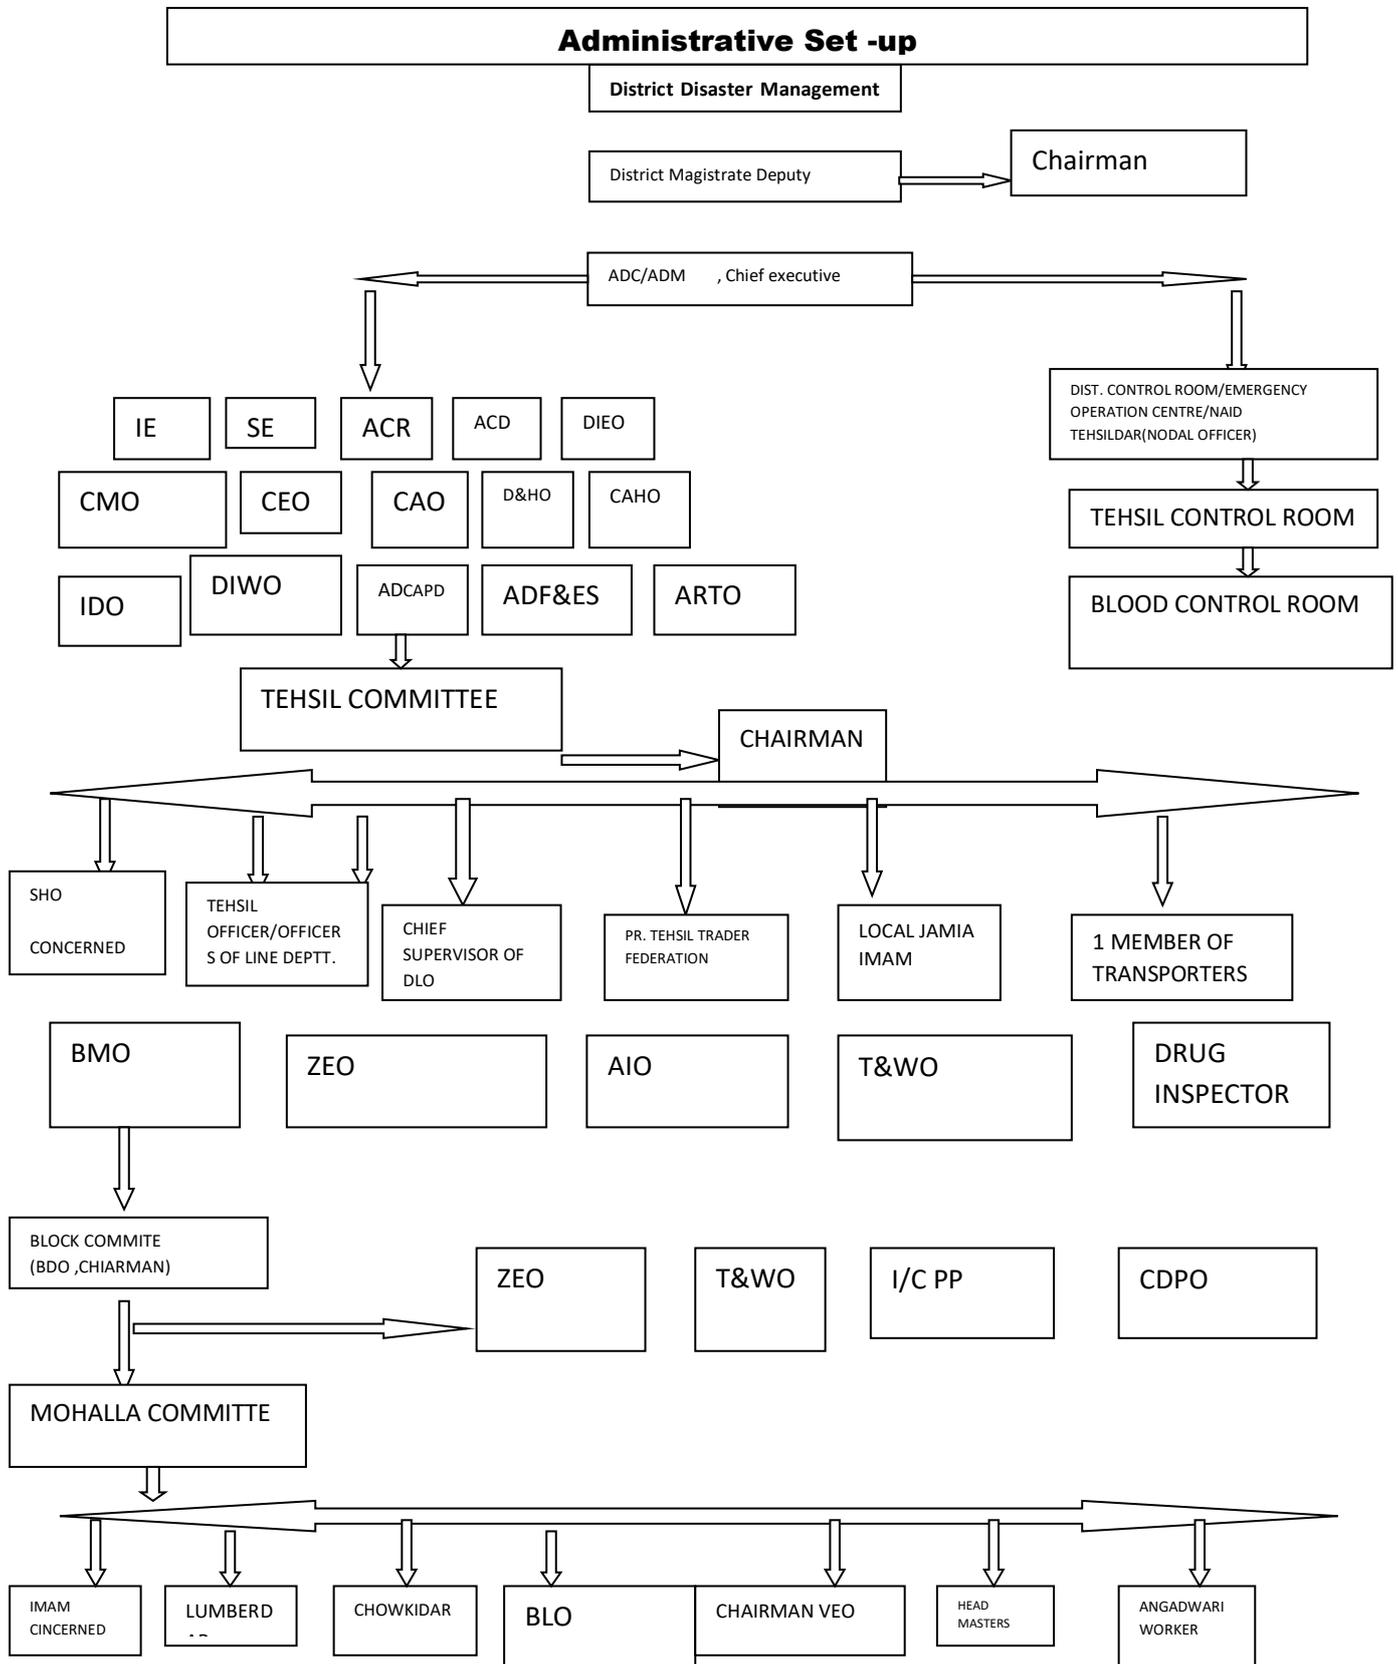

5- History of Disasters in District Baramulla

District Baramulla has a long history of Disaster. Leaving aside a manmade disaster prevailed in the district because of its locational position, natural disaster also reccur in the District.

1, Among manmade Disaster Cross-border Shelling is mostly Prevalent in the District across LOC

2, Natural Disasters which had devastating effect in the District include :

- a) Earthquake of 2005 which wiped out almost half of the Uri Sub-Division and most of the villages of Rafiabad Area and Gulmarg Tehsil.
- b) Thunderstorms and Hail Storms do occur in the District very frequently. A devastating Hail Storm occurred in Rafiabad Area in 2010.
- c) Landsliding is the routine problem in the District. Upper areas of Rafiabad, Narvaaw and Wagoora are very prone to Sparce Landsliding.
- d) Floods of 2014 had an unforgettable effect on the Low-lying areas of District Baramulla.

DISASTER

VULNERABILITY OF THE DISTRICT BARAMULLA

Assessment of Risk

S. No.	Name of Hazards	Probability of Occurrence
A- High Frequency /Low impact		
1	Avanlanches	Gulmarg/Tangmarg/Uri Area
2	Wind Storm/Squal/Dust Storm	Whole District
3	Flash Floods	Whole District
4	Thunder Storm	Whole District
5	Lightening	Whole District
6	Cloud Burst	Whole District
B- High Frequency/High Impact		
1	Heavy Snow fall/Glacial lake outburst Flood(GLOF)	Whole District
2	Hail Storm/Strong Wind	Whole District
3	Fire Incidents	Whole District
C- Low Frequency /High Implact		
1	Floods	Whole District
2	Earthquake	Whole District
3	Road Accidents	Whole District
4	Drought/Heat Wave/Forest Fire	Whole District
D-Covid-19 Pandemic		
1	Corona virus	Whole District

DISTRICT DISASTER MANAGEMENT AUTHORITY AND OTHER COMMITTEES

The District Disaster Management Authority is in place, as per SRO 138 dated 23.04.2007. However, it has been reframed vide SRO-225 dated 29.05.2017 of Disaster Management, Relief, Rehabilitation & Reconstruction Department, J&K and the same has been reflected in the updated District Disaster Management Plan.

In addition to the District Disaster Management Committees, Village Level Committees have also been put in place.

STATUS OF DISASTER PREPAREDNESS,
DISTRICT BARAMULLA

Overall measures taken by District Disaster Management Authority (DDMA) Baramulla, in relation to Disaster Preparedness.

- 1) Constitution of District Disaster Management cell**
- 2) Construction of Emergency Operation Centre**
- 3) Conducting of Mock Drills**
- 4) Preparation of District Disaster Management plan**
- 5) Resources.**

1. Constitution of District Disaster Management Cell:- The District Disaster Management Cell has been constituted and is headquartered in the premises of the Deputy Commissioners Office which acts as a coordinating agency and keeps District Disaster management authority abreast with the latest developments besides keeping close vigil over the preparedness of various departments/agencies vis-a-vis disaster.

2. Construction of Emergency Operation Centre:- A suitable patch of land (State land) has been identified in Estate Fatehpora, Tehsil Baramulla and papers of the same stand already submitted to Divisional Commissioner Kashmir. The Divisional Commissioner Kashmir has further taken up the matter with Financial Commissioner Revenue Kashmir.

3. Conduct of Mock drills:- Mock drills are being conducted on regular basis in a bid to keep the concerned departments/agencies ready to face any eventuality. Besides, through the medium of Mock Drills, concerned departments/agencies are being imparted training regarding utilization/exploration of latest equipments and techniques to minimize the damages. In calendar year 2016, **03** Mock drills were conducted with regard to Flood, Fire and Earthquake, in 2017, **03** &

in 2018 **14** & in 2019 **08** mock drills with regard to Earthquake and Avalanche/ Landslides and cloudburst/windstorm/Hailstorm have been conducted with collaboration with Departments of SDRF, Baramulla, Revenue, Police, Agriculture, Health etc. These drills also act as awareness programs for the public.

No of mock drills	2016	2017	2018	2019	2020	Total
	03	03	14	08	26	54

During Current Financial Year the pattern of mock Drilling has been adopted as per the disaster management Plan . The Major Focus has been laid on the training of village wise rescue teams which has been as prepared as per the local need. Tehsildars have been made incharge of the trainings in their respective areas.

In Each Training Program , the participants vary from Govt. employees to school boys and volunteers in both genders. The training Mockdrill program for the Year 2020 is detailed as under:

25.	PVC Water Tanks(500 Ltr Capacity)	200	Rs. 5000/-	10 Lacs
26.	PVC Water Tanks(1000 Ltr Capacity)	200	Rs. 8000/-	16 lacs.
26.	Desktop with all accessories	03	Rs. 38000/-	1.14 Lacs
27.	Fax with scanner / Photostat / telephone apparatus	03	Rs. 1 Lac	3 Lacs
28.	Canvas roll Pipes / P. V. C Pipes		Rs. 5 Lacs	5 Lacs
29.	Motorized water Boats 5.5 Fibre Boats with 75 HP 4 Stroke OBM make Gee Pee mercury/ Marine Model.	04	Rs. 20.216 Lacs	80.864 Lacs
30.	4.4 M Inflatable Motor Boats with 2.5 HP 4 Stroke OBM make Gee Pee rain forced model GP 10.	05	Rs. 9.20 Lacs	46 Lacs.
31.	Fire Entry Suits , Make Newtech, USA 2000 Model, Series Complete suit with Hood Coat and Pant , Gloves , Boot etc.	05	Rs. 2.00 Lacs	10 Lacs.
32.	Walki/Talki sets for communication for use during any Disaster.	20	Rs. 0.37 Lacs	7.40 Lacs
Total				5.78034 Crores

Civil Defence Volunteers Network

The capacity needs to be built of the community in order to better react to any disaster, besides supporting the civil administration or other institutional responder in the response process. To make this possible, Civil Defence has a very essential role to play. CD need to organise programs in schools and colleges, besides conducting innovative street shows to engage people in rural areas. All the

interested community members, including students, need to be prepared for undertaking different roles in case of a calamity. The areas they need to be prepared for include:

1. First-Aid: They need to be trained on giving first-aid and thereafter, assisting doctors in providing medical aid to the injured. A first-aid must be provided to these people at every village / panchayat level to equip them for what they are trained on.

2. Search and Rescue: The village party formed shall be the first responders to any disaster before institutional responders can take the initiative. Several people must be formed part of the unit and made aware on the safety measures to take in case of a calamity, besides being trained on SAR. They must also be provided with certain equipments for response purposes like safety headgear with lights, ropes, cutter, hammer, etc.

3. Relief Camp Coordination: A relief camp may be set-up where temporary tents may have to be set-up, cooking of food may have to be done, serving of food and water has to be done. The civil defence shall share the scenarios that may arise and the pre-designated role that civil defence volunteers shall play to support the *Relief Camp Manager* and the civil administration team.

4. Law and Order: While Police has to the responsibility to ensure law and order is maintained in disaster sites, it is important to make some physically strong and mature people take up the role of maintaining order and coordinating with the local police. The contact numbers of such volunteers must also be shared with the local police by civil defence. The CD volunteers shall ensure security of relief supplies received for relief camps or being transported to forward

villages via their villages. They shall also control crowds in relief camps, medical camps and local hospitals. For this purpose, these volunteers must be provided with a different dress as well.

The contact numbers of all such volunteers must be maintained by CD and they must be involved in activities from time-to-time to keep their involvement and motivation levels high at all times.

Inventory of Equipments:-

In addition to its Department wise availability , requirement of resources has also been chacked out as under.
